**LEAR JET 35:** This newly refurbished aircraft is designed to seat up to eight passengers in first class luxury with the option of articulating seats to provide additional space and accommodate individual needs. The pressurized cabin ensures exceptional comfort even at its maximum altitude of 45,000 feet, and its 1800-mile range makes this aircraft an excellent choice for non-stop flights to the Caribbean and South Central United States. You will have a relaxing flight as you soar above the weather and most air traffic.
